Greetings Covenant Partner,

I pray that this letter finds you living in God's richest blessings.

I have been doing a Bible study on healing & health and it has been a blessing. It has opened my eyes to the true healing power of God. Every time I see the words, "He healed them all" I cannot help but get excited!!!! You will only find one time where only a few were healed and that was not because of Him but instead because of them. Take a moment and read Mark 6:1-6 and you will read how He was rejected in His own country. But those very same limits are put on Him each day, when only a few are healed; but He died so that ALL would be healed.

Turn in your Bible to Mark 5 and read it before we go any further. It starts off talking about how Jesus encounters a demon possessed man. Even the demon spirit recognized Jesus and asked Him not to torment him. Jesus spoke to the spirit and it had no option but to leave and it did. How would you like for the unclean spirits on this earth to recognize you and either run or plead for you not to torment them? According to the Word, we have been given power over unclean spirits.

Next, we read about Jairus and his daughter who was at the point of death and how he sought Jesus out to come and lay hands on her so she would be healed. I like the fact that in verse 23 NKJ he said, "Come and lay hands on her, that she may be healed, and she will live". Jairus knew if Jesus would lay His hands on his daughter, she would live and not die. So Jesus did as he was asked, and went with him to the dying little girl but something happened along the way. Someone else with a need and who knew Jesus was the answer, stepped up. A woman that had a medical condition for 12 years and spent all she had on doctors. She did not need Him to do anything but keep on walking by, because her faith was in a point of contact. You can read that in verse 28. And through that point of contact, she was made whole. After this, Jesus went on to the home of Jairus and as we know, the little girl had died before they got there. But even death could not stop the power of God from the task at hand and Jesus spoke to the little girl and told her to arise and she awoke. Glory to God!!!!

So three different individuals, three different issues, and one answer for all, and that was Jesus. Jesus is the answer! I will say it again, Jesus is the answer! I am not saying stop taking your medicine or going to the doctor. But right now you should find everywhere in the Bible where Jesus healed someone and read it and highlight it. Study out what all He did back then and realize that Jesus is the same yesterday, today and forever. He is your healer. Nothing can overcome what He did for you and I, not even death!

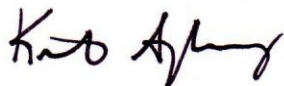

Right now I want you to pray this with me: "Lord Jesus, I want to thank you for healing me over 2,000 years ago. I recognize you as my redeemer from the power of sickness, sin and death. You died for me so that I would have life and life more abundantly and that is my confession from this day forward! Jesus, you are my answer to everything that comes my way. I thank You and call myself healed forever more in Jesus name-AMEN!"

Now, it's time to put your faith into action and start doing the things you could not do before. Immerse yourself in the Word like never before. Find some Godly praise music and spend time praising God.

I believe that you have received this day!

You are a blessing to Debbie and me and the ministry of Living Water Teaching. Always know that you are in our prayers!

Keep Reaching Forward,

Dr. Keith & Debbie (Zirkle) Spanberger
