Greetings from Guatemala to our Partners and Friends,

This morning as the missionaries and our staff were gathering together for prayer, we could not help but to look at the volcano which is a few miles away from our campus. It was shooting forth steam and ash thousands of feet into the sky [more than I have ever seen since I have been here.] In a way, it was beautiful to watch the giant cloud of ash billow up into the sky from the intense heat generated from deep within the volcano; just another wonder of the creation of our great God.

Later, I began to think about this – how approx. 50 or 60 people stood and were looking at this great power that was coming out of the earth.

Our theme for Living Water Teaching this year is “Looking unto Jesus – the Author and Finisher of our Faith” Heb. 12:2. The word “Looking” is important in this statement. The Amplified version states it this way – “Looking away [from all that will distract] to Jesus, Who is the Leader and the Source of our faith”---

Here are some definitions of the word “Looking” - **To consider attentively** - Heb.3:1 - **To appear** – Heb. 9:28 – **To seek** – Matt. 6:33 – **To expect - to be in a state of expectation** – Psalms 62:5 - **To stare at – to discern clearly – to experience – to examine – to search – to esteem - to see or understand perfectly – to discover.**

As we begin to apply these to our “Looking unto Jesus” – there is no end to the deeper revelation of our Lord that we will experience. We will see Him in ways that we have never yet seen Him. “**But we see Jesus**” – Heb.2:9.

What do we see – When we look unto Jesus:

We see: Our Savior – Our Lord and King – Our Wisdom – Our Redeemer – Our Joy – Our Peace – Our Wealth – Our Riches – Our Healer – Our Truth – Our Way – Our Life – Our Goodness – Our Mercy. And the list goes on and on forever.

I encourage you today, purpose in your heart to look unto Jesus more than you ever have before – your life will never be the same. Praise God!!

In His Service with you,

Pastor Clarence Wright
