Greetings to all our Covenant Partners,

I pray that this letter this month finds you living in the Lord's richest blessings.

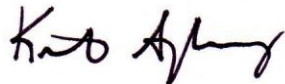

I want to thank you for your faithful support in helping fulfill the vision of LWT. Every day, lives are being changed through the multiple outreaches of LWT and we take no glory for it. All the Glory goes to God! This is His ministry and we are just His hands and feet in the flesh doing His work every day. But a really cool thing is that you are a partaker of all of it also through your partnership. Paul speaking to the church told them the same thing in the book of Philippians, chapter one and in verse 7, you see him calling them "Partakers with me of Grace". How powerful it is that by the seed we sow we become a part of something much bigger than is possible for just one person.

LWT is not a person but instead a family of like faith believers from different parts of this beautiful earth coming together with one purpose, and that is that ALL may hear! Hear what? The Good News! It might be through the teachings by the nationals from the Bible schools in each country LWT is in. It might be by evangelistic meetings, dramas, or street witnessing that happens through the mission trips. It might be while giving out shoeboxes during the month of December through the MZCF outreach. It happens many different ways every day and Praise the Lord, you are a partaker of it.

We thank God for you and pray for you daily. Always know that you are part of a family and not walking through life alone. First and foremost, God is always with you 24/7/365 but you also have a family here. We are a family praying for you and always ready to hear your prayer requests and rejoice with you in your praise reports.

Remember that God loves you and that His Grace, His unmerited favor, is yours now and forevermore. He loves you just as you are but too much to leave you there, also. So grab a hold of the fullness of His Grace and all He has for you and never let go.

Keep Reaching Forward,

Dr. Keith & Debbie Spanberger
