The word that I would have for you today and for 2010 is “clarity.” Listen to the voice of the Lord with clarity – for yourself – for your family – and for your ministry. The word clarity means: *To make clear, to brighten or illuminate, applied to the mind or reason. Another meaning is to understand.*

One of the major problems that the church has in hearing from God with clarity is the “hurry up microwave” world we live in. But God is NOT a microwave God. He has all the time that He needs and desires. The Bible tells us that Jesus is the Head and we are the body. Have you ever seen a body running down the street with its head back in the house? Too often this happens to believers – they hear something that sounds good from someone else or from their emotions and without taking time to really seek God to understand His Will and be clear – they take off running with it and leave Him behind and out of the picture until it is too late.

God does not have to meet our time schedule – we have to meet His – He is still God and He is still in charge. When we purpose in our heart to spend quality time with God each day – in prayer and worship – in the Word - and to take time to listen and not do all of the talking – we will be more apt to hear the voice of God with more “clarity”.

We know that God speaks to us by His Spirit to our spirit. In 1 John 4:1 – we are told not to believe every spirit – but to try them and see if they be of God. There are many voices in the world speaking day and night – we need understanding to listen to the right ones.

My prayer for you in 2010 is what Paul prayed in Eph. 1:18 – *“The eyes of your understanding being enlightened; that you may know what is the hope of His calling, and what the riches of the glory of His inheritance in the saints” V 20: “Which He wrought in Christ”.*

In Christ and Christ in us is the key. He is our understanding – He is our wisdom – He is our clarity in hearing from God.

May you experience even more of the fullness of His Blessing!

In His Service With You,

Clarence Wright
