Greetings & Merry Christmas to all,

We are now in my most favorite time of the year. I love the fresh winter air and all the lights and Christmas decor that you see everywhere you look. There also seems to be a difference in people's attitude towards others. For many, this time of year becomes a time for giving. But what I love most is what this time of year represents, which is the birth of our Lord and Savior, Jesus. What a great example of giving in that which God did for us, by giving the ultimate gift of life, forevermore. And not just life, but abundant life just for the taking.

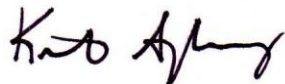

The late missionary, Jim Elliot, said, "He is no fool who gives what he cannot keep to gain what he cannot lose." How true that statement is, but we have to make the final step and decision to receive this life changing gift. The Lord gave me a teaching around the middle of this year called "The Love of God & the Gift of Jesus". It is an eye opening, life changing teaching for all that listen and receive. It is the most basic teaching ever about the love of God. Jesus truly is a gift and given to us freely because of God's unending love for you and me.

Debbie and I were just in Guatemala and during a session that I was teaching, the Lord gave me an example to use then and it fits here, also. What if someone came to your house tonight and gave you the keys to a brand new car and left it sitting in your driveway. But every day, you just kept the keys but never went out and enjoyed and partook of the gift. It just set there day after day and month after month, never being used for its intended use. Well honestly, many have Jesus in that same exact place. It's hard to imagine a gift being everything you could ever want or need; but that's what He is. He's the total package for all eternity which creates a life of nothing missing, nothing broken.

So this Christmas season, receive the ultimate gift and all of its benefits. But don't let it end there, take it into all the places that you go and share it with all you come into contact with.

All of us at Living Water Teaching want to wish you and yours a very Merry Christmas and a blessed and wonderful New Year.

Sincerely,

Dr. Keith & Debbie (Zirkle) Spanberger
