Update

Greetings to all of our family & friends,

I pray this newsletter finds you living in the Lord's perfect peace. We are doing great pressing in towards this New Year and finding it hard to believe that April is already here!

Last November, Debbie and I were in Guatemala for the LWT Directors meetings and a seminar. During one of the meetings, Rev. Buddy Bell laid hands on the ministry directors and when he got to me, he stopped and said "big change". It has for sure been exactly that! Upon coming back to the US, and then attending the KCM Ministers' Conference, the Lord directed me to end a 12 year volunteer term with the local Fire/Rescue service. I just knew it was time to press into other things and let some things go. That is not always easy, but can be very necessary.

Paraguay

In just a matter of days, I will be heading off to the beautiful country of Paraguay, where they will be holding a missions conference. Yes, you heard me correctly; a missions conference! We are going to teach the people the importance of missions. Many go to just reach the lost, which of course we will be doing that as well, but we are also teaching them the importance of not just letting it end with them. They must now be a voice for their Lord and Savior. Pastors Jerry and Connie White, (LWT Directors in Paraguay) are hosting this life-changing trip. While there, we will be spending time with the local Fire Department training them in leadership and talking to them about their relationship with Christ. I will also teach the Emergency Response Training which we have done in Panama and seen over 300 fire fighters accept Christ. So, if you would like to be a part of this trip by sowing into it, please make your check out to LWT and in the memo line mark it: Paraguay-KS Trip. By sowing your seed into this trip, you become a partaker of every life touched. The budget for this trip is \$2,500 and with a portion of these funds we will be taking gifts in for the fire fighters. We will also be teaching an Emergency Response class to the local church so that they will know how to help in times of disaster.

In closing

Each one of you is very special to us. We pray for our family and friends daily. You help make it possible as we travel both nationally and Internationally ministering the unchanging Word of God and also teaching the body of Christ to better understand the importance and how to of missions. You are a part of the over 700,000 born again and over 29,000 who have graduated from our Bible schools throughout Central and South America.

Debbie and I really want to hear from you with your prayer requests and/or praise reports. We are starting a partner wall here at our ministry and would love to have a picture of you to place on that wall.

Debbie and I pray God's richest over you in all that you do.

Keep Reaching Forward,

Keith & Debbie
